**Municipal Sanitary Authority of the City of New Kensington
Industrial Pretreatment Program
Submission of Resolution, Notification Letters and Subsistence Certificate**

October 1, 2020

Dear Ms. Green:

On behalf of the Municipal Sanitary Authority of the City of New Kensington (MSANK), this submission pertains to the Headworks Analysis for Local Limit development. The updated local limits were approved by the U.S. Environmental Protection Agency on September 4, 2020.

The following documents are attached:

- Copy of Resolution 12-2020 adopted by the Board of the Sanitary Authority of the City of New Kensington at their meeting on September 21, 2020.
- Copies of the letters mailed to the contributory municipalities and municipal authorities including the City of New Kensington, City of Lower Burrell, Lower Burrell Municipal Authority, City of Arnold, Plum Borough and the Plum Borough Municipal Authority.
- Copy of the subsistence certificate verifying that MSANK is a municipal authority under the state of Pennsylvania.

Please contact me if you have any questions or further comments regarding this matter.
